In the world of flabby whites,  
Chablis packs the chiselled abs

We begin with *La Chablisienne Chablis La Pierrelée 2005*  
and its lemon, mineral,  
green apple skin and floral notes.  
On the palate it is elegant and fresh  
with green apple skin, grassy lime flavours  
and salty, mineral finish.  
Solid introductory Chablis  
you can match to a variety of shellfish dishes.
